

## 2020 Fall School Support

We are excited to offer a new program to support families that are in a bind due to their children's schooling being moved online. Our new offering will provide elementary age children with space & support to complete their online school work in a supervised setting.

Elementary age students are welcome to join us on days they will not be physically attending school, but are still required to accomplish schoolwork. Some schools may be all virtual, and some may offer a combination of in-person instruction with remote learning. On days they are not in school, send them to us! We will support their education in a structured, supervised setting.

### Ages & Hours

- Elementary age children who have all or part of their schooling conducted online, from 1-5 days per week.
- Core Hours will be 8:30 AM to 3:00 PM. Before / after care will be available for an additional charge, 7:00 to 8:30 AM and 3:00 to 6:00 PM.

- Students will bring their own lunch and we will provide free snacks.
- Quiet time will be provided to allow for homework or reading time.
