RULES AND POLICIES

REGISTRATION FEE:

One time yearly registration fee \$35

PRICE & BILLING:

The price of our Ninja program is \$77 per month. You may pay by credit card or by check, payable to Carol Leone Gymnastics.

We reserve the right to change or cancel a class. A \$25 charge will be added for any returned checks.

CLASS ATTIRE:

Shorts and a t-shirt, we will provide you with a Ninja t-shirt!

As we begin to re-open our Gymnastics Center, below is our guiding document that we will follow to minimize the risk of spreading Covid-19. While everyone will do their best in these efforts, there are inherent risks that will continue to be present.

These are subject to change as we learn more information and have additional rules or guidelines to adhere to.

CDC GUIDELINES FOR CAMPS

In addition to CDC Guidelines for Child Care Centers, we are also using the CDC Guidelines for Summer Camps. They can be found at this website:

<https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/summer-camps.html>

GENERAL ITEMS

- If your child is not feeling well, please keep them home. This includes coughing, shortness of breath, fatigue, body aches, and loss of taste or smell.
- We ask that you take your child's temperature prior to entering the facility. If your child has a fever of 100.4 degrees, please keep them at home.
- If your child begins to feel sick during practice, we will contact the parent immediately and ask that the Ninja be picked up.
- Other non-Covid 19 instances where you should also keep your kid home: vomiting, diarrhea, skin rashes, head lice & eye infections.
- We will do our best to update everyone's accounts with necessary adjustments. We ask that everyone bring their accounts up to date prior to the summer session starting.

ARRIVING / PICK UP:

With Class not starting until 6:30 PM during the week, please do not arrive prior to 6:20 to drop off your Ninja. This will allow for all Child Care and Summer Day Camp families to have exited the building prior to your arrival.

- Have athletes leave all unnecessary clothing and items in your car.
- Please drop your Ninja off by the front door. When they enter, they should be wearing shoes and a mask, and immediately wash their hands in the bathroom in the lobby with the door removed. This bathroom is expressly for this purpose. There will be someone there to help with this process.
- Once the Ninja enters the gym, they can remove their mask.
- We ask that parents limit the need to enter the building. Communications with coaches should be handled outside of practice time either by phone or email. If parents do need to enter the building, you must wear a mask at all times when in the building.
- The front desk will not be staffed during practice times. There will be a dropbox for payments on the wall by the front door. We encourage everyone to make contactless payments by signing up for our ACH program or pay online.
- At the end of practice, Ninjas will put their mask back on and exit out the doors in the back of the building. Please pick them up in the parking lot and refrain from entering the building.

WHAT TO BRING

- All Ninja's are required to bring a water bottle. The water fountain has been turned off. Sink faucets are still functioning for refills.

GYMNASTICS OPERATIONS

- We will assign Ninjas to small groups (cohorts) that will stay together through the entire practice. We ask that these Ninjas practice social distancing as best they can within their group and that they not mingle with other cohorts during practice.
- Protective masks are encouraged to be worn by coaches & Ninjas, especially if social distancing cannot be accomplished through normal coach/gymnast interactions of talking, coaching, or spotting.
- If not covering your mouth, masks should be worn around your neck to easily move back to your mouth when needed.
- We will have the back doors open at all times during practice (as weather permits) and will have the fans blowing to allow for air circulation, including the top fan to help extract air.
- USAG has asked us to refrain from unnecessary spotting. We will spot only when the athlete absolutely cannot learn or understand the concept without physical help or to avoid injury.
- You are in your right to ask us not to spot your child. We will honor all requests.
- You are in your right to ask that we wear a mask when spotting your child. We will honor all requests.
- Athletes will have more accountability in terms of learning, listening & progressing.
